A Healthy Organization will attract and retain the people you need to survive – and thrive – in the 21st century. A Healthy Organization is one that has family friendly policies and practices in place, considers the needs of its employees, and fosters a healthy work-life balance.

In this **free seminar**, you will learn how you can:

- Discover policies and practices that can work for you
- Tap into local resources available for your employees
- Consider work-life programs that increase employee satisfaction and morale
- Get the edge to attract new talent & retain top performers
- Energize your workforce and discover bottom line benefits
- Stay in compliance with related labor laws

Could your company already be one of the Best Companies to Work for in Shasta County?
