

## CAREER EXPLORATION

Join our free career exploration workshop. Find out how your experience and interests can be applied in a new or expanded career. Complete a self-assessment tool to discover a variety of jobs that may be a good fit with your unique aspirations, while aligning you with a career that you are passionate about.

Learn how to target your search for the job you really want, while researching current and projected demand for those jobs. This is a great workshop for anyone considering a career change or the next step on the ladder to finding their dream job!

- Understand your unique talent
- Align your talent with careers
- Gather information
- Brainstorm
- Understand the Job Market
- Explore Options
- Target Opportunities
- Create your “Map”
- Take the next Exciting Step...
